Date	28 July 2026	**Host Employer**	Olympia
Intern Name	Sbonelo Nhlebela	**Intern Role**	Full Stack Developer (Intern)/ Development
Programme	TUT Work Integrated Learning Programme	**Placement Dates**	05 January 2026 - 31 July 2026
Supervisor	Martin Nel	**Contact**	george@olympiahld.com

To Whom It May Concern,

This letter confirms that Sbonelo Nhlebela was hosted by Olympia as part of the TUT Work Integrated Learning Programme, facilitated in partnership with Jobox.

Sbonelo completed a workplace placement from 05 January 2026 - 31 July 2026 in the role of Full Stack Developer (Intern)/ Development. During this period, they gained exposure to a professional working environment and had the opportunity to apply their academic knowledge, develop practical workplace skills, and contribute to day-to-day team activities.

Key responsibilities / exposure areas:

- Angular
- Bootstrap

Professional conduct and development:

Sbonelo demonstrated strengths in willingness to learn, professionalism, teamwork, communication, problem-solving, adaptability, technical ability. They also showed growth in confidence, workplace communication, task ownership, time management, technical execution.

While Olympia is unfortunately not in a position to absorb Sbonelo into a permanent role at this stage due to operational requirements, we acknowledge their contribution and the value they added during their placement.

We wish Sbonelo every success and are happy to recommend them for future opportunities where they can continue to develop and apply their skills in [field / industry].
